Year 4 Homework Overview

Dear Parents/Carers,

Reading In Year 4, it's vital for children to read **at least three times a week** to develop their imagination and vocabulary, as well as their reading ability. Please date and sign your child's contact book every time they read at home. Children are expected to complete one activity from the back of their book. It's vital children read books by authors and library books and this can be one of their reads.

Spelling Spellings for Indigo Class are given out on a Thursday and children are tested on these words the following Thursday. Spellings for Azure Class are given out on a Friday and children are tested on these words the following Friday. To encourage independence, children copy these words into their contact book. We do our best to check they have copied them correctly, but please check at home, too. Children are expected to copy these words three times in their contact book and learn them.

Mathletics Mathletics task are given every Wednesday and checked the following Wednesday.

Project Work This term, children have been given a project about a European country. The final deadline is Monday 16th December. However, children are expected to hand in their book every **Monday** to check to see how they are doing. Children can decorate/cover their blue homework book as they please.

Thank you for your continued support. We know that working in partnership helps to ensure that children make the best possible progress.

Kind Regards,

Year 4 Team
