

Holy Trinity Rosehill CofE VA Primary School

Pupil Premium Expenditure

Academic Year 2018-2019

Pupil Premium Allocation 2018-2019

Schools are allocated £1,320 for every child whose parents have registered for free school meals. This also applies to those children who have been eligible for FSM within the last 6 years (known as ever-6). Pupils who are looked after or have been in the looked after system but have since been adopted are entitled to £1,900 per annum. Children whose parents are in the armed forces are entitled to £300 (known as ever-5)

This money is used to assess and work with these children as well as to raise academic performance of children who may for a variety of reasons not be achieving their full potential.

It is school who decide how the Pupil Premium allocation is spent, as school is best placed to assess what additional provision should be made for the individual pupils within schools.

For the financial year 2018-2019, 10.4% of the children who attended Holy Trinity Rosehill VA CE Primary School will be in receipt of pupil premium and school will receive £56,320.

The pupils have been divided into Key Stages, so that they cannot be identified, due to the low number in the cohort attracting Pupil Premium.

INTENDED PUPIL PREMIUM SPENDING AND STRATEGY 2018-2019

	<p>Pupil Premium Expenditure 2018-2019</p> <p>The School Improvement Plan for 2017-2018 clearly identified a strong focus on closing the gap for Pupil Premium children. As a result of this, the gap between Pupil Premium children and non-Pupil Premium children has started to close. This focus will remain in the School Improvement Plan for 2018-2019.</p>
