

Resource 1

Look at the resource below, which shows examples of different tests taken by people.

When you reach the age of 17, you can learn to drive a car on the road. Before you can do this on your own, you have to take a driving test.

Have you ever taken any of these tests? Can you think of any other tests?

Some people have sight tests to test their eyesight and find out if they need glasses or not.

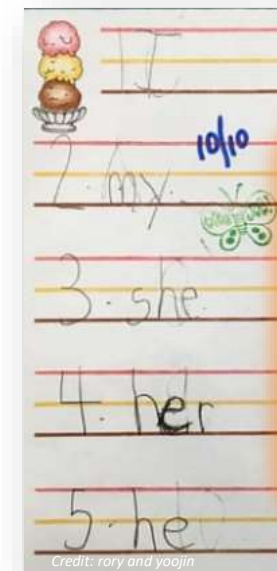

You can take a test to see how far you can swim. You can earn a badge or a certificate!

Some people choose to learn a musical instrument. You can take a test or exam.

Do you have a badge or certificate?

Sometimes you might have a test in school like a spelling test, a maths test or you might even have heard of SATs.
