

Watch 'Catch it' on The Literacy Shed

<https://www.literacyshed.com/catchit.html#>

A group of meerkats lovingly tend to a beloved and unique fruit in the middle of the savannah.

One day, their peaceful existence is disrupted by a vulture intent on stealing their pride and joy.

Will the meerkats be able to get it back?

Writing ideas (please choose one or more)

- Tell the story from a meerkat's point of view.
- Describe the beautiful setting of the African plains.
- Create some dialogue between the meerkats at various points in the film.
- Create some commentary for the 'rugby' scene at the end of the film – you could record this commentary if possible.

Maths

We have set 5 tasks on Mathematics. These are all topics we have covered this year.

Geography

Investigate deserts. Choose one of the following deserts where you would find meerkats:

1. Kalahari Desert
2. Namib Desert

Describe location, size, climate, physical features, species (plants and animals which live there), people and jobs.

Science

Research meerkats and create a fact file for a meerkat.

Please include:

- Physical attributes
- Habitat
- Diet
- Prey and Predators
- Adaptations – How have they adapted to live in their environment?

PSHE

In the video, it shows how well meerkats work together as a team.

Create a poster explaining 'What makes a good team'. Look up the meaning of the following words and try to include them in your poster: collaboration, negotiation, compromise.

Art

<https://artprojectsforkids.org/how-to-draw-a-meerkat/>

Use the above link to help you to draw a meerkat. You may want to add a background of the habitat you researched.

Please use your revision books to complete daily activities for reading, maths and SPAG to continue your learning in preparation for secondary school.

Children can continue to log on to class dojo to write blogs, stories, poems and diaries.

Please continue to use SPAG.com to consolidate learning.
