

Year 3 Activities

MATHS

Look at the numbers in the balloons. Now answer the questions below.

- What two numbers when added together equal 26?
- What is the difference between the biggest and the smallest number?
- What is the total of the two biggest even numbers?
- How many even numbers are there?
- Which two numbers when subtracted equal 17?
- What is the total of all the numbers?

Science

Think back to the work we did about plants. Can you draw and label all the parts of a plant/flower?

PSHE

Think about the work we have done about being a good friend.

Draw a picture of you and write around the picture all of the things that make you a good friend.

Art

Turn a toilet roll tube or a kitchen roll tube into a butterfly. Use whatever pieces of paper you have to help you make the wings and things. Don't worry if it's not perfect. Just have fun!

Stay safe everyone!

ENGLISH

Tiny Dragon

Write an information text about this tiny dragon. Use the questions below to help you with what to write.

- Where is it from?
- Why is it so small?
- Are there more like him?
- Where does he live?
- How will you look after it?
- Will you keep it a secret or tell someone?
- What is it called?
- Is it magic? What magic can it do?

WRITING

Write an Spring acrostic poem. Remember, each letter in the word SPRING needs to be the first letter of the first word of each line of your poem.

Some other spring words you could use:
BUNNY, LAMB, DAFFODIL
