Hinduism – Pilgrimage

Pilgrimage means making a journey to a holy place in order to feel closer to God. The most famous Hindu pilgrimage is the Kumbh Mela, which takes place at the River Ganges in India. Up to 40 million people come to purify themselves in the water, the biggest gathering of people on Earth.

There are many different places for Hindus to go on pilgrimage. Rivers, mountains and temples linked to different gods and goddesses are all popular places to visit.

Hindus try to do at least one pilgrimage in their lifetime.

Watch the video clip to find out more about Hindu pilgrimage.
