

# Year 6 Activities

## Once in a Lifetime

Watch Once in a lifetime on The Literacy Shed:

<https://www.literacysshed.com/onceinalifetime.html>

The story is set in a fantasy world. A man sailing his boat through the air sees giant flying turtles gliding into view.

### English (Choose one or more)

- Write a detailed descriptive piece about the turtles. Include vivid sensory details.
- Choose a different animal to come floating by. Show what it is through detailed description. Do not tell the reader what it is.
- Write an ending to the story. Where do the turtles take him?

### Maths

Click on the link for our turtle maths problems:

<https://www.holytrinityrosehill.org.uk/wp-content/uploads/2020/05/turtle-mathspdf.pdf>

### Geography

Find out why turtles are endangered?

Design a poster sharing this information with others and telling them what we can do to help.

Or choose a different endangered animal to research and design a poster alerting people to the problems they face and encouraging them to help.

### Science

Research where turtles live and what they eat. How have they adapted to live in their environment?

### RE

As part of his Sermon on the Mount Jesus said (Mark 6:26) 'Behold the fowls of the air; for they sow not, neither do they reap, nor gather into barns; Yet your heavenly Father feedeth them.'

What do you think he meant by this? Discuss it with a friend or family member.

Please use your revision books to complete daily activities for Reading, maths and SPaG to continue your learning in preparation for secondary school.

There are still activities on [Mathletics](https://www.mathletics.com) and [SPaG.com](https://www.spag.com) for you to complete.

Children can continue to log on to [Class Dojo](https://www.classdojo.com) to add to their portfolios.

## Art

Watch How to draw a sea turtle by Shoo Rayner on you tube and have a go at following his steps to draw one yourself.
