

Hello,

I hope you enjoy completing some of the activities this week. Please don't worry about completing everything or anything! Choose the tasks that work best for you.

This week we will be focussing on time, do you have a watch or a clock in your bedroom? Try to use it more this week: What time do you go to bed? What time do you have dinner?

You could keep a diary recording how many minutes you have spent outside or watching T.V. Was it what you expected?

Keep safe, Year 2 team

Spellings and times tables for the week

1. any
2. many
3. clothes
4. water
5. pretty
6. Christmas
7. beautiful
8. busy
9. poor
10. kind

Continue to work on your 2, 3, 5 and 10 times tables.

English

Monday- Read the penguin text with a grown up.

Tuesday – Complete the questions about the penguin text you read yesterday.

Wednesday – Spend some time researching penguins, online, books or libraries.

Thursday – Create an informative booklet about penguins.

Friday – Ask a grown up to test you on your spellings. Good luck!

Maths

Monday – Mental maths sheet

Tuesday – Play this fun online game to help you tell the time.
<https://mathsframe.co.uk/en/resources/resource/116/telling-the-time>

Wednesday - Practice your times tables today at
<https://www.bbc.co.uk/teach/supermovers/ks2-maths-the-3-times-table/z6sw382> or log onto Mathletics to complete your tasks.

Thursday – Complete the clock faces.

Friday - *Maths Challenge* Friday is challenge day on Bitesize daily. There are a series of challenges to test your problem solving skills.

Extra Activities

Geography

Beach Safety – Flags and Signs

Write the correct meaning next to each flag or sign, then colour them in the correct colour.

The black and white chequered flag tells us which area is for surfers and non-powered craft. Do not swim in this area.	These signs tell you not to do something e.g. No Swimming.	An orange windsock shows when strong winds are blowing. Don't use inflatables when this is flying.
The red flag is a warning flag. Never go in the water when this flag is flying.	The red and yellow flag tells us that lifeguards patrol this area. It is the safest place to swim, bodyboard or use inflatables.	These signs warn of danger e.g. Beware – deep water.

Maths activities:

Monday

1. $7 - \square = 3$

2. James has 10 buttons. He gives 7 to Brad. How many buttons does he have now?

3. 4 cats have legs

4. There are squares. 

5. Choose 2 numbers that add up to 3.

2 0 1 4

6. $0 + 2 =$

7. $23 - 1 =$

9. A cube has faces.

10. $62 + \square = 72$

11. $13 + 14 =$

Thursday

Draw the minute hand on the clock to show five o'clock.

Draw the minute hand on the clock to half past seven.

Draw the minute hand on the clock to show half past three.

Draw the minute hand on the clock to show nine o'clock.

Friday

Challenge 1

30 cakes are arranged in an array. Some of the cakes are hidden.

How many cakes are hidden?

<https://www.bbc.co.uk/bitesize/articles/z9yfxbk>

Challenge 2

Work out the missing numbers.

$10 \times 2 = 5 \times \bullet$

$10 + 2 = 5 + \blacktriangle$

$10 \div 2 = 5 \div \blacksquare$

$10 - 2 = \heartsuit - 5$

R.E.

Watch the animated version of 'Jonah and the whale', can you create a piece of art linked to this story?

English Activities

Penguins

Penguins live in hot and cold places in the Southern Hemisphere. This is the bottom half of the world, below the Equator. They have wings but they can not fly. There are 17 sorts of penguin.

This is an Emperor penguin. It is the biggest penguin. It has patches of yellow on its ears and breast. They live in a very cold place called Antarctica and catch fish from the sea to eat. They do not build a nest. The male penguin holds eggs in its belly pouch and baby penguins stand on the male penguins feet so that they do not get cold.

This is a Little penguin. It is the smallest penguin and is sometimes called a Blue penguin. It lives in Australia and New Zealand. They usually make a hole in the ground to lay their eggs and the male and female take it in turns to look after them.

This is an African penguin. They live in Africa. It has a black band on its white breast and patches of skin of its face. The skin helps the penguin to cool down when it gets too hot. It digs into the ground to lay its eggs.

This is an Adelie penguin. They have long tails that drag along the ground and white around their eyes. The female penguin lays her eggs in a nest that she makes with pebbles and moss. The male keeps the eggs warm and the female goes to hunt for food. Then they swap jobs.

This is a Humboldt penguin. It is sometimes called a Peruvian penguin. They live in South America. It has patches of skin on its face to help it cool down and it has a black bill. It digs into the ground to lay its eggs.

This is a Snares penguin. They live on an island in New Zealand. It has a yellow crest on its face and red eyes. The lady penguin lays 2 eggs in a nest. The first one is a lot smaller than the second one. The second egg hatches a much bigger penguin that is better at surviving.

Penguins

Complete this table with ✓.

Type of Penguin	Builds a Nest	Lives in a cold place	Lives in a hot place	Digs a hole for a nest	Balances baby on its feet	Red Eyes	Yellow Crest
Emperor							
Snares							
Adelie							
Little							
African							
Humboldt							

Why has the writer put the information in boxes?

What do penguins use their wings for?

Do you think all penguins lay eggs?

Why do you think Emperor penguins do not build a nest?

Which two penguins are the most similar?
