## Friday 25<sup>th</sup> September newsletter

What a busy week we have had in school! What with an alien spaceship landing over the weekend on Rosehill site and children celebrating European Day of Languages on Thursday we have certainly had lots of fun.

Thank you for your lovely comments on Facebook and for your patience while we upload photos. Teachers are always busy and sometimes taking photos is tricky! I am delighted to say that our new School Council is having their first (outdoor and socially distanced) meeting next week. I look forward to sharing their work with you next week.

Have a lovely weekend.

Mrs Swift – Head Teacher

The theme of our Collective Worship this week has been achievement.

### Letter for parents about COVID-19 symptoms

Public Health England have produced a letter for schools to distribute to parents which explains when a person requires a coronavirus test and what the symptoms of coronavirus are.

The intention of the letter is to help prevent children being taken out of school unnecessarily and answer some of the questions parents may have around testing. The letter is attached with this newsletter.

We are delighted that we have been nominated by Tees Valley Music Service to become a Music Mark school for the 2020/21 academic year. Music Mark says 'The value that you place on music and your commitment to a broad and balanced curriculum has been recognised, and as a result, we would like to celebrate it'.

Music Mark is the UK Association for Music Education; we champion and support access to music for all children and young people.'

### Safeguarding

**School car parks** – a gentle reminder that school car parks should not be used to park in while dropping children off and collecting children from either site of our school or Boomerang Child Care. Nor should car parks be used to turn cars around in. Both of our car parks are used daily by school staff and are very busy at both the beginning and the end of the day. Thank you

**Face masks** – a parent emailed school this week to ask if adults who drop off and collect children could wear facemasks whilst on school grounds. This is not something as a school we can enforce however you may wish to consider wearing a mask to help protect others around you when social distancing is difficult.

**Safeguarding our children is everybody's responsibility**

### Covid 19 testing

If you receive a test result over the weekend and need to let school know the outcome please do so by emailing school [holytrinityrosehill@sbcschools.org.uk](mailto:holytrinityrosehill@sbcschools.org.uk)

Thank you for your continued support.

Go in peace to love and serve the Lord.

Enjoy your day and do something amazing,  
Miss Goodchild and Year One ☺

### Collective Worship

Whilst we have these current restrictions in school we are using Zoom for our daily act of Collective Worship. Now that we have invested in web cams we are all able to see and hear each other ☺. It is wonderful to be able to gather in this way as a whole school.

### Holy Trinity Rosehill Home Learning Plan 2020

Thank you to all of those who responded to our most recent Autumn Survey. Your ideas and comments are essential to ensure that what we are providing for our children is tailored to their needs, but most importantly during this current climate, suitable, sustainable and manageable for the wellbeing of our families and staff should the need to self-isolate occur.

It has been lovely to receive so many positive comments regarding our Home Learning over the summer term. We are pleased and very proud of the way our children have returned to school so know that it has had an impact.

We will share our Home Learning Plan with parents/carers next week – look out for the email.
