

Holy Trinity Rosehill CofE (VA) Primary School

Year 3 Summer Term

Summer 2021

WHY WERE RIVERS SO IMPORTANT TO PEOPLE
IN THE PAST?

This term in Year 3, we will be...

In English, we will be continuing our search for new and exciting vocabulary to enrich our writing. We will continue to revise the rules of direct speech so that we can use it in our writing to develop characters. We have an exciting new class novel about the mysterious of Egypt to read and we will start becoming more independent in choosing which format to use when writing a response to this text and others.

In Maths, we are continuing to learn the multiplication and division facts for 3s, 4s and 8s. We will be learning to estimate and tell the time to the nearest minute. We will be adding and subtracting fractions with the same denominator and recognising 3-D shapes in different orientations and describing them.

RE:

As Theologists, we will be learning about Pentecost and its relevance for us today. We will be thinking about the Kingdom of God and how it effects our lives and the lives of others.

Geography:

As Geographers, we are looking at the continents and the countries contained within each one.

Music:

As Musicians, we will be learning to appreciate wide range of live & recorded music - Listening with attention to detail.

Art:

As Artist we will be creating Sea/riverscape collage from recycling.

P.E:

As active members of our school community we will be participating in a variety of team games and seek to developing positive attitudes to exercise.

Science:

As Scientists, we will be finding out about different types of forces and magnets.

Computing:

As Computing Technologists, we will be producing slide presentations linked with our Science topic.

Our Behaviours for Learning:

Throughout this term, we will be developing our skills in these areas:

Concentration

Collaboration

Independence

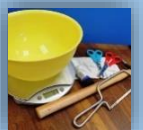

Resilience

History:

As Historians, we will be exploring Ancient Egypt and how the Nile was important to the Egyptians way of life.

Design
Technology:

As Designers, we will discover the most effective way to design and construct a pyramid from different materials.
