

Holy Trinity Rosehill CofE (VA) Primary School

Year 5 Summer Term

Summer 2021

How can humans and animals adapt to their environments?

In English, we will be sharing a range of fiction, non-fiction and poetry. We will participate in discussions, writing a range of genres, including thrillers and chillers and narratives and to develop vocabulary. We will continue to develop our love of reading during independent reading and comprehension time. We will be continuing with Year 5 grammar and spelling objectives.

In Maths, we will continue to build on our mental arithmetic skills and knowledge of multiplication tables up to 12x12. We will be applying our knowledge of number to fractions, decimals and percentages and using this to develop our problem solving and reasoning skills. We will also be looking at properties of shape, position and direction and converting units of measurement.

RE:

As Theologians, we will be exploring how following God can bring freedom and justice and what will make our local community a more respectful place.

Geography:

As Geographers, we will be exploring whether it is possible to live on a mountain.

We will be looking at why modern day Greece is a popular holiday destination and comparing it with our local coastal areas.

Music:

As Musicians, we will be listening to and appraising different genres of music and learning to sing a variety of popular songs.

Art:

As Artists, we will use a wide range of mediums to create coastal landscapes.

P.E:

As active members of our school community we will be participating in a variety of team games and developing positive sportsmanship.

Computing:

As Computing Technologists, we will develop our understanding and knowledge of using a variety of I-pad applications.

Our Behaviours for Learning:

Throughout this term, we will be developing our skills in these areas:

- Concentration
- Collaboration
- Independence
- Resilience

Science:

As Scientists, we will be exploring animals including humans and living things and their habitats.

Design Technology:

As Designers, we will design, plan, make and evaluate a habitat for mini beasts.
