Friday 14th May 2021 newsletter

On behalf of our children, staff and governors I want to thank our parents/carers, families and community for the support you are giving us during these times. From a lovely comment in a child's contact book to an email full of gratitude or a passing comment from a visitor and a 'like' on our Facebook page, your kind comments mean so much to us – we are incredibly thankful to be part of such an amazing community.

I hope you have a good weekend, Mrs. Swift – Head Teacher

My command is this: Love each other as I have loved you John 15:12

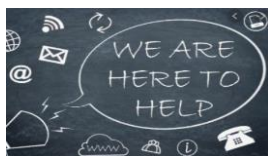

Help and support

As always, staff in school are here to help and to signpost you to support with other agencies and organisations.

The easiest way to get in touch with school is to email holytrinityrosehill@sbcschools.org.uk – if it is an emergency please ring 01642 581239.

Please do not feel alone during this time – if we can't help we will look for someone who can.

OfSTED Parent View

If you have a spare 10 minutes we would be really grateful if you could complete the Parent View survey:

<https://parentview.ofsted.gov.uk/login?destination=/give-your-views>

This is a great opportunity for our school community to show how amazing our school is.

As you complete the survey, if you have any concerns please contact school directly via email.

We will try our best to help, as always.

The results for our school can be found here:

Thank you

Safeguarding

Holy Trinity Rosehill CofE (VA) Primary School

Our School Council have recently produced a 'child friendly' version of our Safeguarding Policy. Each class has a copy of the policy and our School Council have been checking with children in their class that they have a 'trusted adult' they can talk to in school if they have a concern.

The child friendly policy is attached along with this week's newsletter – please spend some time reading through this with your child/ren. If you have any comments or queries please contact us.

Safeguarding our children is everyone's responsibility.

School Council summary of our Safeguarding Policy What is Child Protection (Safeguarding) about?

All of the adults around you think that your health, safety and welfare are very important.

In our school, we respect you and help to protect your rights

We provide a safe environment for you to learn in

You can talk to any adult in school, we are here to help you and will listen to all of your concerns.

We do our best to help you make progress in your learning.

We want to help you stay safe at home and school;

Need to talk?

We teach you how to recognise risks and dangers in different situations and how to protect yourself and stay safe.

It's important that you know where to go to get help if you are worried or unhappy about something.

There is also a special phone number called ChildLine; they listen to worries too.

Vodafone – Digital Parenting

Vodafone want everyone to get the most out of tech and enjoy happy and safe digital lives. With regularly updated articles and expert advice, you'll find plenty of resources and support on this section of their website- helping you make the right digital choices for your family.

www.vodafone.co.uk/mobile/digital-parenting

The screenshot shows a red-themed website layout. At the top left, there's a section titled 'Lockdown Learnings' with a sub-section 'Staying safe online' described as 'An easy guide for parents'. To the right, another section is titled 'The 3 biggest learnings from lockdown' with a 'Learn more' button. At the bottom, there's a large graphic of a rocket launch surrounded by icons of a lightbulb, an eye, a smartphone, and a laptop. Below this graphic, text reads 'The best online learning apps from ages 1 to 18' and 'We've done up a list of the apps and programmes you need for each stage of your child's development – things they'll not only love, but that will also teach them the digital skills essential for their futures. Check out our Digital Parenting magazine to read the full article.' A 'Read now' button is located at the bottom left of this section.

2021-2022 Term dates – updated due to additional Bank Holiday

Due to an additional bank holiday which has been granted by Government in order to celebrate the Queens Platinum Jubilee, it has been necessary for Stockton Local authority to amend the academic calendar for 2021/2022. The new calendar means that schools will return to school on 2nd September 2021 – however we will take Thursday 2nd September as a PDDay and children will return to school on Friday 3rd September 2021.
