

Friday 18th June 2021 newsletter

We have been truly blessed with the weather this week and children have been able to spend a lot of time outside exploring our wonderful school grounds. Please talk to your children about what they have enjoyed outside recently.

Next week is another busy one with Y3 pedestrian training, a Wilderness Workshop for our Y6 children and class photographs for all classes in school amongst many other things. Let's hope the weather is kind to us again 😊

Have a lovely weekend, Mrs. Swift – Head Teacher

lost and is found. Luke 15:32*

Please support our CFC with their fundraising efforts – they are working hard to fund outdoor friendship spaces on both sites.

If you know of any shops/companies that could supply CFC with ice-pops to sell please contact school.

Have you seen our Facebook page recently? It's full of wonderful photos and videos of our children having fun in school.

The KS1 children had a lovely time at our first Craft Club last week. We talked about natural and man-made materials, then we went outside to collect natural materials to create a picture. We composed our pictures on the card before gluing to make sure we we... See more

Today Reception children used their numerical reasoning skills to find odd and even numbers. They shared their ideas with a friend and know how to explain which numbers are odd and even and why.

As part of our unit on poetry, Y5 have learnt and performed a poem, 'Beastly Invitation'. We had good fun adding actions to it for our final performance. What do you think to our presentation?

Gaming4Good Webinars

Your child and online gaming – Join one of our webinars to find out everything you need to know.

A message from Kelly Close, Cyber Protect & Prepare Officer

‘Several weeks ago we held a number of webinars for parents looking at their child’s online world and how to keep them safe, we got amazing feedback however a number of schools did feedback that an out of hours event would be preferable for most parents.

Due to this we are hosting a further 2 webinars for parents specifically looking at online, game and app safety, one of which is on an evening for those that cannot make the afternoon session. We are also pleased to offer webinars looking at children’s gaming activity.
