

Holy Trinity Rosehill CofE (VA) Primary School Year 1 and 2 Autumn Term

Autumn 2021

What makes God's creations unique?

English

In Literacy, we will be looking at a range of texts, including some traditional tales. Children will participate in discussions, practise taking turns and listening to what others say. We will also develop our love of reading by listening to and discussing different texts and focus on our handwriting techniques.

Maths

In Maths, Year One children we will be working on their place value skills and developing their addition and subtraction knowledge. Year Two children will be building on their place value knowledge to learn more about addition and subtraction, and begin to think about multiplication.

Religious Education

As Theologists, Year One and Two will be using the bible to help explore the idea of Creation. During the second half of the term, we will be looking at Incarnation and why Christmas matters to Christians.

Reading across our curriculum this term

Titles include:

- The Lion Inside
- It's not a Stick
- Stanley's Stick
- Traditional Tales

Music

As Musicians, we will be exploring 'First Thing Music' and Charanga to develop our skills of beat and rhythm.

Art

As artists, we will be experimenting with colour mixing. We will also be looking at the work of Seurat and Mackenzie Thorpe.

P.E

As active members of Year 1 and 2, we will be exploring how to move our bodies in different ways.

Geography

As Geologists, we will explore our local area and develop our use of mapping skills in our school environment and beyond.

Science

As Scientists, we will be learning about the human body, including how to keep fit and healthy. We will also be learning about different animals and how they are grouped.

D.T

As designers, we will be developing our chopping and grating skills as well as using our senses to explore the taste and texture of food.

History

As Historians, we will be travelling back in time to find out about famous explorers and how they have helped to define our world today.

Languages

As linguists, Year One and Two will be listening and exploring French songs, rhymes and basic phrases.

Computing

As Computing Technologists, we are going to learn how to use technology to create, organise and store data in a safe way.

RSE and Useful Links for Parents/Carers

In RSE we will learn more about ourselves, about keeping safe, healthy and happy. We will also explore how we can get along with other people.

We will discover that friends are an important part of our lives and will spend time thinking about different feelings we might have.

Listen to this song – talk together about what makes you happy and friendships you have.

Our Behaviours for Learning

Throughout this term, we will be developing our skills in these areas:

- Concentration
- Collaboration Independence
- Resilience

Our School Values – How are we living out our school values in Year 1 and 2 this term?

We will be kind to others.

We will help those in need.

We will try our hardest.

We will forgive others and move on.

We will give thanks for God's creation.
