

Holy Trinity Rosehill CofE (VA) Primary School

Year 5 Autumn Term

Autumn 2021

How can we use our understanding of creation, science and mapping skills to explore how amazing our world is?

English

We will be sharing a range of fiction, non-fiction and performance poetry.

We will participate in discussions, writing a range of genres and developing vocabulary. We will also develop our love of reading during independent reading and comprehension time.

Maths

We will be working on place value. This will include counting, recognising and representing numbers up to 1 000 000.

We will build on our knowledge of multiplication tables up to 12x12. We will be applying our knowledge of number to addition, subtraction, multiplication and division and using this to develop our problem solving and reasoning skills.

Religious Education

As Theologists, we are exploring whether creation and science is conflicting or complementary. We will explore other religions during Inter-Faith Week and investigate whether Jesus is the Messiah.

Reading across our curriculum this term

Titles include:

- Kensuke's Kingdom by Michael Morpurgo

Music

As Musicians, we will be looking at music from Holst (The Planets) and Vivaldi (The Four Seasons).

Art

As Artists, we will be developing our observational drawing skills, and creating a printing block to use to create a repeating pattern.

P.E

As active members of Year 5, we are completing a weekly mile run and learning a variety of team games.

Geography

As Geographers, we are developing our mapping skills by learning how maps have changed over time.

Science

As Scientists, we are exploring the earth and space. We will also be investigating forces and their effects.

D.T

As Designers, we will explore Mechanisms by using cams, pulleys and gears to create movement.

History

As Historians, we will be learning all about the lives of the Anglo-Saxons and the Vikings.

Languages

As Linguists, we will be learning how to introduce ourselves in French as well as learning a repertoire of songs.

Computing

As Computing Technologists, we will be learning how to keep safe online and how to use technology to enhance learning across the curriculum.

RSE and Useful Links for Parents/Carers

Across the autumn term Year 5 will be focussing upon relationships, in particular, how we are accepting of others, the important relationships in our lives and what we should do if someone is being bullied. We will also be considering how to behave and keep safe online.

Our Behaviours for Learning

Throughout this term, we will be developing our skills in these areas:

- Concentration
- Collaboration
- Independence
- Resilience

Our School Values – How are we living out our school values in Year 1 and 2 this term?

We will show friendship to others as we begin our journey in Year 5

We will work hard to understand how others might be feeling

We will work as a team to try new challenges

We will learn to forgive one another and not hold a grudge

We will be grateful for the people in our lives and how they support us
