

Holy Trinity Rosehill CofE (VA) Primary School

Year 4 Autumn Term

Autumn 2021

What can we discover about the Romans and water? Why are they both so important today?

English

In English, we will participate in discussions around a range of texts which will develop our comprehension skills. We will be planning, writing and evaluating a range of genres including; non-chronological reports, stories and poems. We will cover a range of SPAG concepts.

Maths

In Maths, we will be working on place value. We will be counting, recognising and representing numbers to 1000. We will build our confidence of using formal methods of addition and subtraction. We will also be focusing on our recall of times tables up to 12x12.

Religious Education

As Theologists, we will be finding out how people follow God. We also will be investigating the deeper meaning of festivals e.g Diwali and Christmas.

Reading across our curriculum this term

Titles include:

- The Fate of Fausto by Oliver Jeffers
- The Rhythm of the Rain by Grahame Baker-Smith
- Water Dance - Thomas Locker

Music

We will explore classic music and leading up to Christmas we will use our voices & instruments with increasing accuracy, control and expression.

Art

As Artists, we will spend some time mixing colours. We will draw from imagination, memory and observation. We will look at the work of JMW Turner.

P.E

As active members of Year 4, we will develop our stamina for running the daily mile. We will continue to work as a team and play fairly.

Geography

As Geographers, we will be researching and developing our understanding of the water cycle. We will look at the cause and effects of flooding and water pollution.

Science

As Scientists, we will be exploring the different states of matter. We will also look at electricity and how to make a circuit.

D.T

As Designers, we will use knowledge from our science topic to help us plan, design and create an electronic circuit in a product.

History

As Historians, we will delve into the lives of the Romans. We will ask inquisitive questions and use a range of sources.

Languages

As Linguists, we will be learning to describe where we live as well as talking about various transport methods in French.

Computing

As Computing Technologists, we will be using the iPads to code. We will also be looking at how to stay safe online.

RSE and PSHE

Useful Links for Parents/Carers

Across the Autumn term, Year 4 will be learning about how relationships change as we grow up. They will talk about friendships, happiness, respect and manners. We will also learn about bullying and what to do when you are getting bullied.

Our Behaviours for Learning

Throughout this term, we will be developing our skills in these areas:

Concentration,
Collaboration, Independence
and Resilience.

Our School Values – How are we living out our school values in Year 4 this term?

We will demonstrate good qualities of friendship to our peers

We will help each other when trying new things

We will try new things together

We will forgive and move on together

We will be thankful for our school and being together again.
