Friday 21st January 2022 newsletter

What a busy week in school this has been with lots of wonderful learning going on and everyone being given the opportunity to let their light shine 😊.

Our children have continued to be amazing and our staff are working very hard to provide exciting learning opportunities – please keep us all in your prayers.

Have a lovely weekend.

Year 1 children in Miss Goodchild's Class had a great time during their science lesson last week. After learning about parts of the human body, the children labelled their friends. Everyone was giggling so much that their labels kept falling off!
Do you know the names for the different parts of the body?

Y5LD have been working hard to understand and learn this poem written in 1971 by Lewis Carroll. We discussed how to perform poetry and watched Zoe Wanamaker perform it to see a good example. We used a checklist to make sure we were doing everything we needed to do in order to make it entertaining for the audience.
We hope you like it!

Children in KS1 love working together playing team games in PE.
What's your favourite game to play?

On **Tuesday 8th February** we will be joining schools and youth organisations across the UK in celebrating **Safer Internet Day 2022**. Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers and more, to join together in helping to create a better internet.

Using the internet safely and positively is a key message that we promote in school, and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year. Some of the activities we'll be participating in on the day include:

- A KS1 and KS2 assembly;
- A lesson in class focussing on the theme of exploring respect and relationships online;
- A range of further activities to give the children the opportunity to work collaboratively and discuss/debate the theme.

We would be delighted if you could join us in celebrating the day by continuing the conversation at home. To help you with this, you may be interested in downloading the free Safer Internet Day Resources for Parents and Carers which is available at: saferinternet.org.uk/sid-parents. There are top tips, quizzes, and films which you can use at home with your child.

Some other resources which you may find helpful in supporting your child online are:

- Tips, advice and guides for parents and carers from the [UK Safer Internet Centre](https://www.saferinternet.org.uk)
- (saferinternet.org.uk/parents)
- Advice for parents and carers from [Childnet](https://www.childnet.com/parents-and-carers) ([childnet.com/parents-and-carers](https://www.childnet.com/parents-and-carers))
- Reviews and information about games, apps, TV shows and websites from [Common Sense Media](https://www.commonsense.org) (commonsense.org)
- Help on using parental controls and privacy settings from [Internet Matters](https://www.internetmatters.org/controls) (internetmatters.org/controls)
- Information and reporting of online grooming or sexual abuse from [CEOP](https://www.ceop.police.uk) (ceop.police.uk)

Online safety is an important issue which as a school we're committed to teaching our children about.

If you have any concerns or questions about keeping your child safe online, please do get in touch with your child's class teacher via your year group email.

Year Group Overviews – Spring 2022

We have lots of amazing learning happening this spring term across school. Our overviews continue to explain all about the different topics your child will be exploring this spring term from Nursery to Year 6. Our Early Years (Nursery and Reception) also include a 'how to help at home' guide to support our youngest children beginning their learning journey.

It would be lovely to see anything the children do at home linked to our spring themes. Please use our year group emails to get in touch with class teachers if you have something to share.

Each year group overview can be found here: www.holytrinityrosehill.org.uk/year-group-overviews/

We hope that this helps you to support your child at home as well as giving parent/carers an understanding of what your child will be learning about in school.
