

Holy Trinity Rosehill C of E (VA) Primary School

Year 6 Spring Term

Spring 2022

Why do people believe in the American dream?

English

In English, we will be reading 'Holes' by Louis Sachar. The main focus of our writing will be the writing of narratives and exploring different story genres. In addition, we will be writing non-chronological reports and poetry.

We will be further developing our understanding of SPAG concepts and work on transferring our SPaG knowledge into our independent writing.

Maths

In Maths, we will be working on developing our understanding of fractions, decimals and percentages. We will also be extending our knowledge and understanding of number while exploring measurement, as well as studying geometry.

We will be continually practising and extending our arithmetic skills.

Religious Education

As Theologists this term, we will be exploring what it means for Muslims to follow God as well as considering what difference the resurrection of Jesus makes in the life of Christians.

Reading across our curriculum this term

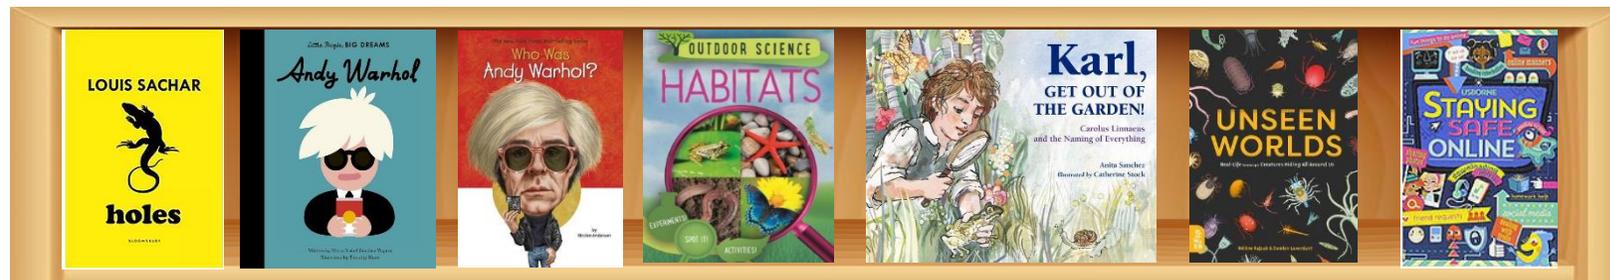

Titles include:

Holes

Karl, get out of the garden!

Unseen Worlds

Who was Andy Warhol?

Music

As Musicians, we will be exploring popular American music.

Art

As Artists, we will be creating art linked to our Americas theme and explore the work of American artist, Andy Warhol.

P.E

As active members of Year Six, we will be further developing our team building skills, through team games such as hockey and improve our fitness levels.

Geography

As Geographers, we will be exploring the physical and human geography of the Americas and we will compare and contrast America to where we live.

Science

As Scientists, we will be investigating living things and their habitats.

D.T

As Designers, we will be designing, making and evaluating an 'American Dream' flag.

History

History will not be a focus in Humanities this term.

Languages

As Linguists, we will be developing our French as we 'Go Shopping'. We will be looking at conversations in shops and becoming more familiar with French money.

Computing

As Computing Technologists, we will continue to look at ways to keep safe online while using technology to enhance learning across the curriculum.

RSE and Useful Links for Parents/Carers

In our well-being sessions, we will be learning about diet, oral hygiene, physical activity and the facts around immunisation. We will be exploring rest and relaxation and how they affect physical and mental health. We will be looking at strategies for being resilient in challenging situations and planning for long-term goals. After half term, we will be focussing upon citizenship... learning about: human rights, food choices and the environment, caring for others, recognising discrimination, valuing diversity and national democracy.

Our Behaviours for Learning

Throughout this term, we will be continuing to develop our skills in these areas:

Concentration
Collaboration
Independence
Resilience

Our School Values – How are we living out our school values in Year 6 this term?

We will show kindness to others as we continue our journey through Year 6.

We will help each other when trying new things and understanding how others might be feeling.

We will continue to face new challenges together as we work hard to prepare for our SATs tests.

We will forgive and move on together, always thinking of others.

We will be thankful for our amazing school and the people around us who care for us.
