

# Holy Trinity Rosehill CofE (VA) Primary School

## Year 1 and 2 Spring Term

Spring 2022

Discovery, exploration and voyages across the seven seas.  
What can we discover and find out?

### English

In Literacy, we will be looking at a range of non-fiction and fictional texts, including poetry. Both year groups will practise the use of spelling and grammar rules in their reading and writing as well as developing our love of reading through engaging with fun and exciting texts.

### Maths

In Maths, Year One children will be building on their place value skills and applying this to addition and subtraction. As well as this, they will be looking at shape, length and height. Year Two children will developing their skills in money, multiplication and division as well as exploring properties of shapes.

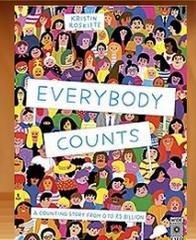

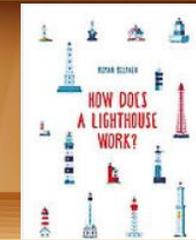

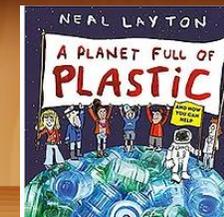

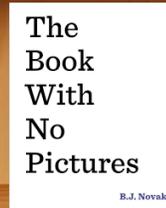

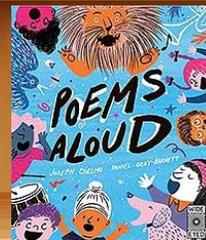

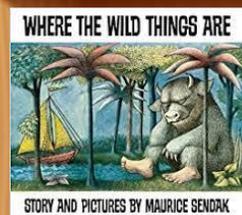

### Religious Education

As Theologists, Year One and Two will be learning about Christianity and Judaism. In particular, looking at stories that link to our natural world and how believing in God makes people treat each other and the Earth.

### Reading that links to our curriculum this term:

Black Rock  
Journey  
The Great Explorer  
The Cook Who Cooked for Captain Cook

Music

As Musicians, we will be continuing to learn through 'First Thing Music' as well as exploring music in different cultures.

Art

As artists, we will be drawing from our imagination and memory. We will also be using observational skills to accurately draw anatomy.

P.E

As active members of Year 1 and 2, we will be taking part in team games and building on our collaborative learning.

Geography

As Geologists, we will sail the seven seas, learning about continents and oceans as well as practising our mapping and directional skills.

Science

As Scientists, we will be continuing to learn about the human body in particular the importance of exercise, a balanced diet and hygiene.

D.T

As designers, we will be planning, creating and evaluating our own mechanisms, including levers and slides.

History

As Historians, we will be looking at past and current explorers and examining how they helped to shape our world today.

Languages

As linguists, Year One and Two will be continuing to listen to and explore French songs, rhymes and basic phrases.

## Computing

As Computing Technologists, we are going to learn how to use technology to create, organise and store data in a safe way.

## RSE and Useful Links for Parents/Carers

In RSE we will learn more about ourselves, about keeping safe, healthy and happy. We will also explore how we can get along with other people.

This term in RSE, we will be looking at health and well-being. Focusing in particular on understanding our feelings and how to relax. KS1 children will also be learning about how to stay healthy and about those who help to keep us fit and safe.

## Our Behaviours for Learning

Throughout this term, we will be developing our skills in these areas:

- Concentration
- Collaboration
- Independence
- Resilience

## Our School Values – How are we living out our school values in Year 1 and 2 this term?

We will be kind to others.

We will help those in need.

We will try our hardest.

We will forgive others and move on.

We will give thanks for God's creation.
