

Holy Trinity Rosehill CofE (VA) Primary School

Year 4 Spring Term

Spring 2022

What are the similarities and differences between Britain and other countries around the world?

English

In English, we will continue to explore a range of genres in our writing. We will use books and short video clips to inspire our writing. We will continue to focus on including a range of grammatical concepts in our writing. In reading, we will have discussion about a range of texts and develop our comprehension skills.

Maths

We will start off with multiplication and division. There will be plenty of opportunities to build reasoning and problem-solving skills. Continue to practise all your times tables as this will build the confidence needed to tackle this term's objectives as well as helping a lot when we do fractions. After this, we will learn how to find the area and begin looking at fractions.

Religious Education

As Theologists, we will spend time learning about Hinduism. After February half term we will be thinking carefully about why Christians call the day Jesus died Good Friday?

Reading across our curriculum this term

Titles include:

- The Chocolate Tree
- Rainplayer
- Around the world in 80 days
- Shakleton's Journey

Music

We will develop Pulse & Groove through improvisation, whilst celebrating a wide range of musical styles. The focus will be on the key areas of Listening, Singing, Playing Composing and Performing.

Art

As Artists, we will use paper mâché to create a Mayan mask. We will also spend time look at local artists Jina Welder and Alan Mould.

P.E

As active members of Year 4, we will develop our netball ball and fitness skills. We will continue to work as a team and show good sportsmanship.

Geography

As Geographers, we will spend time developing our atlas skills. We will investigate the different conditions around the world and compare it to the conditions in the UK.

Science

As Scientists, we will be exploring animals and their habitats. We will discover all about food chains. As well as this we will learn more about the human body.

D.T

As Designers, we will spend time researching food from around the world. We will also have to opportunity to make and taste the food.

History

As Historians, we will explore the lives of the Ancient Maya Civilisation. We will think carefully about their achievements and what impact they had.

Languages

As Linguists, we will learn how to ask for things in a restaurant as well as in the classroom. Please continue to practise how to greet and count in French.

Computing

As Computing Technologists, we will be entering the world of HTML. We will continue to use the internet safely to help us research new and exciting things.

RSE and PSHE

In PSHE we will learn more about ourselves, how we grow and change. We will also learn about families and close positive relationships. Also, we will learn how to keep safe and looking after ourselves.
Another topic will be Life Cycles- the cycle of life-what happens in our world.

Our Behaviours for Learning

Throughout this term, we will be developing our skills in these areas:

- Concentration
- Collaboration
- Independence
- Resilience

Our School Values – How are we living out our school values in Year 4 this term?

We will share our friendship with others and ensure that everyone is happy.

We will support one another each day.

We will always try our best and never give up.

We will forgive each other if issues arise.

We will be thankful for the world in which we live in.
