

Holy Trinity Rosehill CofE (VA) Primary School

Year 3 Summer Term

Summer 2022

How much did the Ancient Egyptians achieve?

English

Our English work this term is planned around our History topic on **Ancient Egypt** and 'The Iron Man' by Ted Hughes. Our activities include studying narrative and film narrative. We will be writing narrative with emphasis on plot, recounts, poetry, reports and instructions. We will focus on description using similes and metaphors and expanding our sentences with a range of conjunctions (connecting words) in writing.

Reading across our curriculum this term

Titles include:

Marcy and the Riddle of the Sphinx
Flat Stanley: The Great Egyptian Grave Robbery
Egypt Magnified
The Iron Man

Maths

Money

Add and subtract amounts of money to give change, using both £ and p in practical contexts

Statistics

Interpret and present data using bar charts, pictograms and tables

Solve one-step and two-step questions [for example 'How many more?' and 'How many fewer?'] using information presented in scaled bar charts and pictograms and tables

Length and Perimeter

Measure length using mm, cm and M and measure perimeter of simple 2D shapes

Fractions

Equivalent fractions and add and subtract fractions with the same denominator

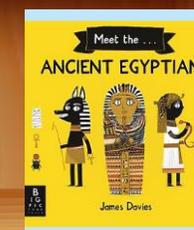

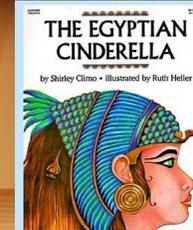

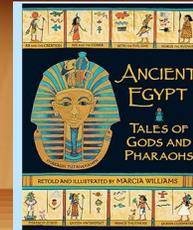

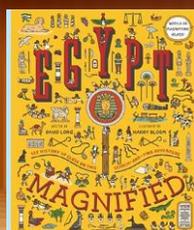

Religious Education

What do Christians learn from the Creation story?

As Theologists, we will be learning about Pentecost and its relevance for us today.

We will be thinking about the Kingdom of God and how it effects our lives and the lives of others.

Music

As Musicians, we will be learning to appreciate wide range of live & recorded music – Listening with attention to detail.

Art

As Artists,
We will use collage to create river scenes and Egyptian headdresses.

We will also mould clay to create an Egyptian pyramid.

P.E

As active members of Year 3, we will be participating in a dance unit linked to rivers and completing a variety of athletics activities.

History

As Historians, we will be exploring Ancient Egypt and how the Nile was important to the Egyptians way of life.

Science

As Scientists,
we will be finding out about different types of forces and magnets.

D.T

As Designers, we will design, make and evaluate our own robots with moving mechanisms.

Languages

As Linguists, we will learn how to ask for different foods in French.
We will also consolidate our knowledge of numbers up to 20.

Computing

As Computing Technologists, we will be learning how to send emails with attachments and how to be a responsible digital citizen by thinking about the contents of what is sent. Options for both Google and Microsoft schools.

RSE and Useful Links for Parents/Carers

Across the Spring Term, Year 3 will be learning about children's rights; exploring why we have rules and the roles of local community groups, charities and recycling and an introduction to local democracy.

Our Behaviours for Learning

Throughout this term, we will be developing our skills in these areas:

- Listening
- Concentration
- Independence
- Resilience

Our School Values – How are we living out our school values in Year 3 this term?

To be a good friend and look out for others.

To be compassionate towards other cultures and beliefs.

To work hard and listen attentively.

To show forgiveness to others.

To be thankful for our wonderful Earth, including its Ancient civilisations.
