

Holy Trinity Rosehill CofE (VA) Primary School

Year 4 Summer Term

Summer 2022

Who were the Anglo-Saxons and why did they settle in Britain?

English

In English, we will continue to explore a range of genres in our writing. We will use books and short video clips to inspire our writing. We will continue to focus on including a range of grammatical concepts in our writing. In reading, we will have discussion about a range of texts and develop our comprehension skills.

Reading across our curriculum this term

Titles include:

Leo and the Place Between.

Maths

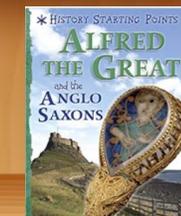

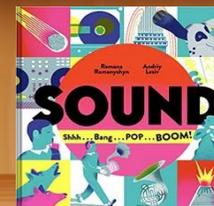

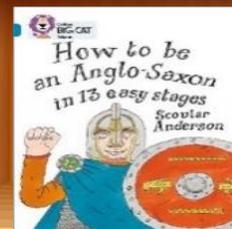

First, we will explore decimals by comparing, ordering and rounding decimals. For our money topic, we will order money, round money and solve problems and even link fractions and decimals to money. In Summer term 2, we will move on to finding out about time, statistics, properties of shape and position and direction. Throughout the term, we will continue to revise our times tables.

Religious Education

As Theologists, we will find out how and why believers show their commitments during the journey of life? We will also learn about the meaning of Trinity.

Music

As Musicians, we will use a song called Blackbird by The Beatles - a song about civil rights to explore different music concepts such as: listening and appraisal of music, embedding the foundations of the music using voices and instruments, improvisation, composition and performance.

Art

As Artists, we will experiment showing line, tone and texture with different hardness of pencils. We will draw from imagination, memory and observation.

P.E

As active members of Year 4, we will be doing Athletics and Cricket this term. We will also continue to improve our fitness levels by running the mile.

Geography

As Geographers, we will spend time thinking about what makes a good settlement. We will also explore settlements around the world.

Science

As Scientists, we will explore Sound, finding out about how sound is produced, what pitch, frequency and amplitude is. We will also explore String telephones.

D.T

As Designers, we will admire the Anglo Saxon Weaving skills and try it out ourselves.

History

As Historians, we will learn more about the Anglo Saxons and Scots. We will also investigate why Britain a good place to settle.

Languages

As Linguists, we will develop our French speaking skills by focusing on our Pets ,as well as talking about what the weather is like.

Computing

As Computing Technologists, we will be using the iPads to conduct research safely. We will also continue to develop our coding skills.

RSE and PSHE

In PSHE will be learning about living in the wider world, talking about shared responsibilities. In RSE will find out what economic wellbeing and Citizenship. Towards the end of the term we will also talk about transition, how to cope with change.

Our Behaviours for Learning

Throughout this term, we will be developing our skills in these areas:

- Concentration
- Collaboration
- Independence
- Resilience

Our School Values – How are we living out our school values in Year 4 this term?

We will share our friendship with others and ensure that everyone is happy.

We will support one another each day.

We will always try our best and never give up.

We will forgive each other if issues arise.

We will be thankful for the world in which we live in.
