

# Holy Trinity Rosehill CofE (VA) Primary School

## Year 5 Summer Term

Summer2022

How can humans and animals adapt to their environments?

### English

In English, we will be sharing a range of fiction, non-fiction and poetry. We will participate in discussions, write in a range of genres, including thrillers and chillers and narratives, and develop our vocabulary. We will continue to strengthen our love of reading during independent reading and comprehension time.

### Maths

In Maths, we will be applying our knowledge of number to fractions, decimals and percentages and using this to develop our problem solving and reasoning skills. We will also be looking at properties of shape, position and direction and converting units of measurement.

### Religious Education

As Theologists, we will be exploring how following God can bring freedom and justice and thinking about what will make our local community a more respectful place.

### Reading across our curriculum this term

Titles include:

- Room 13 by Robert Swindells
- There's a Girl in the Boy's Bathroom by Louis Sachar

Music

As Musicians, we will be continuing to learn to play the ukulele as well as listening to and appraising different genres of music and learning to sing a variety of popular songs.

Art

As Artists, we will use a wide range of mediums to create coastal landscapes.

P.E

As active members of our school community, we will participate in athletic events, develop dance sequences and develop positive sportsmanship.

Geography

As Geographers, we will be exploring whether it is possible to live on a mountain. We will be looking at why modern day Greece is a popular holiday destination and comparing it with our local coastal areas.

Science

As Scientists, we will be exploring animals, including humans, and living things and their habitats.

D.T

As Designers, we will design, plan, make and evaluate a habitat for mini beasts.

History

As Historians, we will be comparing Ancient Greece with modern day Greece.

Languages

As Linguists, we will be learning how to describe the weather and habitats in French as well as extending a repertoire of songs.

Computing

As Computing Technologists, we will be learning how to apply programming skills to create sounds and melodies.

RSE and Useful Links for Parents/Carers

Across the summer term, Year 5 will be focussing on economic well-being, including developing an understanding about income and expenditure.  
  
We will also be exploring the emotional and physical changes of puberty.

Our Behaviours for Learning

Throughout this term, we will be developing our skills in these areas:

- Concentration
- Collaboration
- Independence
- Resilience

Our School Values – How are we living out our school values in Year 5 this term?

We will show friendship to others as we continue our journey in Year 5,

We will work hard to understand how others might be feeling,

We will work as a team to try new challenges,

We will learn to forgive one another and not hold a grudge,

We will be grateful for the people in our lives and how they support us,
