

# Holy Trinity Rosehill C of E (VA) Primary School

## Year 6 Summer Term

Summer 2022

### How has our local area changed over time?

#### English

In English, we will be studying poetry and writing our own poems. In addition we will be writing a range of narratives and exploring different genres. We will be further developing our understanding of SPaG concepts and work on transferring our SPaG knowledge into our independent writing.

#### Maths

In Maths, we will be working on developing our understanding of measurement, algebra and ratio. We will be extending our understanding of number as well as studying geometry. We will be continually practising and extending our arithmetic skills.

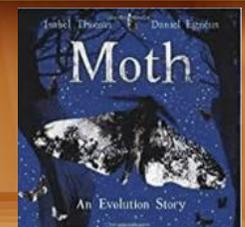

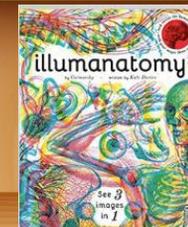

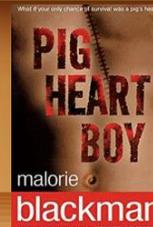

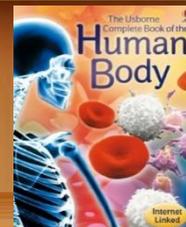

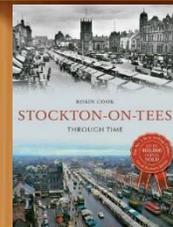

#### Religious Education

As Theologists this term, we will be exploring what it means if God is holy and loving and, why some people believe in God and some do not.

#### Reading across our curriculum this term

Moth  
Pig Heart Boy

Music

As Musicians, we will be exploring both classical and modern local music as well as studying well-known composers.

Art

As Artists, we will be creating art linked to our local area theme and explore the work of local artists, Mackenzie Thorpe and Lucy Pittaway.

P.E

As active members of Year Six, we will be further developing our team building skills, through team games such as cricket, and improving our fitness levels through athletics.

Geography

As Geographers, we will be further exploring the physical and human geography of our local area and developing our mapping skills when studying our locality of Stockton-on-Tees.

Science

As Scientists, we will be investigating animals including humans and evolution and inheritance.

D.T

As Designers, we will be looking at food and nutrition - in particular, exploring traditional foods. We will go onto to design, make and evaluate our own dishes.

History

As Historians, we will be researching how our school and local area has changed over time and significant historical events and people linked to Stockton-on-Tees.

Languages

As Linguists, we will be developing our French as we continue to 'Go Shopping'. We will be looking at conversations in shops and becoming more familiar with French money.

## Computing

As Computing Technologists, we will continue to look at ways to keep safe online while using technology to enhance learning across the curriculum.

## RSE

In our well-being sessions, we will be looking at how our bodies change during puberty. In addition, we will continue our work on citizenship - looking at caring for others, prejudice and discrimination as well as looking at diversity and democracy. We will also be thinking about what identity is and focus particularly upon gender identity and body image. Finally, we will be studying economic wellbeing and thinking about money and keeping money safe, gambling, what jobs are available and possible career routes which are available.

## Our Behaviours for Learning

Throughout this term, we will be continuing to develop our skills in these areas:  
 Concentration  
 Collaboration  
 Independence  
 Resilience

### Our School Values – How are we living out our school values in Year 6 this term?

We will show kindness to others as we continue our journey through Year 6.

We will help each other when trying new things and understanding how others might be feeling.

We will continue to face new challenges together as we work hard to prepare for our SATs tests.

We will forgive and move on together, always thinking of others.

We will be thankful for our amazing school and the people around us who care for us.
