

Communication and Interaction

Pupils with communication and interaction needs have access to small group and/or individualised interventions to develop skills in communication, interaction, emotional awareness, self-care, flexible thinking. Our school offers:

- Staff with plentiful experience of working with pupils with autistic spectrum disorder. (A.S.D.)
- Speech and Language therapy/programmes.
- I pads, laptops and computers.
- Social stories run by teaching assistants.
- Time to Talk programme.
- Adaptations to school/class timetables.
- Visual timetables.
- Use of a scribe or IT for extended writing.
- Playground friends.
- Extended transitions from one class to another, change of key stage and when transferring to secondary school, including; meeting with new staff, making a photo story book of staff, classroom etc.
