Friday 13th January 2023 newsletter

We've had a really busy first full week back in school. Children have been working really hard and letting their lights shine in lots of different ways.

Earlier this week I had the privilege of showing a new set of parents and their child around school. It is always wonderful to show visitors around school and to review the journey our children go on. From our youngest children in nursery to our oldest children in Y6, every child had a smile on their face and was enjoying their learning.

Have a lovely weekend. Mrs. Swift - Head Teacher

Collective Worship

The theme of Collective Worship this term is opposites – this week we have been thinking about wet and dry.

When we make a mistake, God washes away our sins and forgives us.

If we confess our sins, he is faithful and just and will forgive us our sins and purify us from all unrighteousness.

1 John 1:9

Using a tiered approach the service provides telephone support, resources, workshops and one to one sleep assessments as well as offering bespoke sleep support if required.

The service can be accessed by families who have children or young people between the ages of 2.5 and 18 years old that have any additional health or development needs There are three different referral routes into the service, a self-referral, a referral from the family support team at Daisy Chain or from the health visiting or school nursing team. The service is provided by Sleep Scotland and is currently running as a pilot that has been coproduced with NHS North East & North Cumbria Integrated Care Board, our 5 local authorities and our 5 parent carer forums. Spring and Summer Term Open Mornings and Afternoons

Due to the success and popularity of our autumn term open mornings and afternoons, we are delighted to share that we are holding open mornings and afternoons this term and in the summer term for all classes in school. We hope this will give parents/carers the opportunity to see their child working in their classroom.

Please find below the timetable for these open mornings and afternoons. Due to the size of our classrooms we need to place a limit of **one** adult per child during these sessions. Please also do not bring other children to these sessions.

In due course a survey will be sent regarding attendance at open mornings and afternoons. Please complete this as it will be used as a register of attendance on the day
