

Holy Trinity Rosehill CofE (VA) Primary School

Year 5 Spring Term

Spring 2023

Exploration Adventures – What are the similarities and differences between our coastline and mountains to those in wider Europe?

English

In English, we will be sharing a range of fiction, non-fiction and poetry. We will participate in discussions, writing a range of genres, including report writing, locally based stories and develop vocabulary. We will continue to develop our love of reading during independent reading and comprehension time.

Maths

In Maths, we will continue to build on our mental arithmetic skills and knowledge of multiplication tables up to 12x12. We will be applying our knowledge of number to multiplication, division and fractions and using this to develop our problem solving and reasoning skills.

Religious Education

As Theologists, we are exploring what it means for Jews to follow God and what Jesus did to save human beings.

Reading across our curriculum this term

Titles include:

- The Girl from the Sea
- Corey's Rock

Music

As Musicians, we will begin our journey to learn how to play the ukulele.

Art

As Artists, we will spend time completing some observational drawings. We will also look at the work of young British artists Tracey Emin and Damien Hirst.

P.E

As active members of Year 5, we will be mindful when learning new yoga poses. We will develop our team playing skills through hockey and handball.

Geography

As Geographers, we will discover more about Mountain ranges as well as exploring beaches comparing those in the UK to wider Europe.

Science

As Scientists, we are continuing to explore the properties of materials. We will be investigating these further and designing our own experiments.

D.T

As Designers, we will design and make a mechanical toy. We will use cams, pulleys and gears to create movement.

History

As Historians, we will look at how beaches and beach holidays have changed over time.

Languages

As Linguists, we will be learning how to talk about any pets we might have.

Computing

As Computing Technologists, we will design and create a stop motion animation. We will then further develop our understanding of search engines.

RSHE

Across the spring term Year 5 will be thinking about health and wellbeing, and then citizenship. This will link to our PE focus on yoga.

Our Behaviours for Learning

Throughout this term, we will be developing our skills in these areas:

- Collaboration
- Endurance
- Talk to develop and share ideas

Our School Values – How are we living out our school values in Year 5 this term?

We will show friendship to others when taking part in an invasion game.

We will show compassion when working collaboratively.

We will show endurance when learning how to play a new instrument.

We will show forgiveness if someone upsets us on the playground.

We will be thankful for the mountains and the beaches, we will ensure we think about how to protect them.
