

Holy Trinity Rosehill CofE (VA) Primary School

Year 1 and 2 Spring Term

Spring 2023

How did people from the past shape our future?

English

In Literacy, we will be exploring a range of genres including story writing, non fiction and descriptive writing for different purposes. We will also look further at different aspects of grammar such as nouns, verbs and adjectives. Through our texts we will learn more about George Stephenson, Robert Ropner, Grace Darling and other people who have shaped our world.

Maths

In Maths, Year One will be consolidating their knowledge and understanding of addition and subtraction, moving on to measuring length, weight and volume.

Year Two will develop their skills in multiplication and division, shape, money and measure.

Religious Education

As Theologists, we will be discussing what makes some places sacred for believers. We will then continue to explore why Easter matters to Christians.

Reading across our curriculum this term

Titles include:

- Augustus and his Smile by Catherine Rayner
- Famous People, Famous Lives: George Stephenson

Music

As Musicians, we will be using Charanga to explore different music styles including Blues, Baroque, Latin, Bhangra, Folk and Funk.

Art

As Artists, we will be learning about local artists and using our drawing skills to develop and share our ideas and imagination.

P.E

As active members of Year 1 and 2, we will be exploring how to move our bodies in different ways through gymnastics.

Geography

As Geographers, we will be exploring our local area and beyond as well as identifying seasonal and daily weather patterns in the United Kingdom, making connections to our science topic.

Science

As Scientists, we will be learning about living things including humans and exploring seasonal changes.

D.T

As designers, we will be using a range of materials to explore transport and mechanisms.

History

As Historians, we will explore the lives of local famous historical figures, including George Stephenson, Robert Ropner and Grace Darling.

Languages

As linguists, we will continue to explore French songs, stories, rhymes and basic phrases.

Computing

As Computing Technologists, we will be learning about algorithms and how to create and debug simple programs.

RSHE

In RSHE we will be exploring our emotions and discussing the importance of self care and mental and physical well being, making connections to Science, PE and other curriculum areas.

We will also discuss the importance of respectful relationships and self respect.

Our Behaviours for Learning

Throughout this term, we will be developing our skills in these areas:

- Concentration
- Collaboration Independence
- Resilience

Our School Values – How are we living out our school values in Year 1 and 2 this term?

We will be kind to others.

We will help those in need.

We will try our hardest.

We will forgive others and move on.

We will give thanks for God's creation and the changes our seasons bring.
