

Friday 10th March 2023 newsletter

Our children have had another great week with lots of exciting learning taking place across school.

It has been lovely to see so many parent/carers attending our open mornings and afternoons this week too. From French Cafés to exploring Greece, we hope everyone had a wonderful time.

Have a lovely weekend.

Mrs. Whelerton - Deputy Head Teacher

Free school meals

Save up to £450 a year

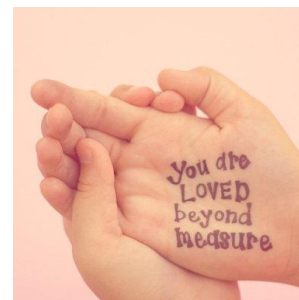

With so much in the news about the cost of living and energy prices going up, you can check whether your child could be eligible for a free school meal. Please email school

holytrinityrosehill@htrps.org.uk and we will carry out the check for you.

Collective Worship

The theme of Collective Worship this week has been rich and poor – the most important things are beyond measurement like Gods love.

Whoever does not love does not know God, because God is love.

1 John 4:8

Dates for your diary – details to follow

HSBC Smart Money Award

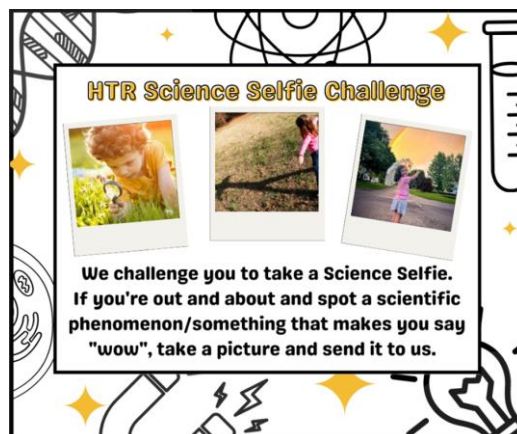

Just before half term, Zareen Smith visited school to present us with our HSBC UK Smart Money Award. We received this award for our involvement in financial education sessions during the summer term 2022. All children were involved in these sessions. Our EY/KS1 children learned about coins, spending and saving while our KS2 children learned about debit and credit cards and the value of money.

Zareen said, *"It has been a pleasure supporting your pupils with their financial literacy over the past year, we hope they have enjoyed the sessions and found the financial education beneficial."*

Science Selfie – Celebrating British Science Week

British Science Week is 10th -19th of March. To help celebrate, we have a challenge- take a "Science Selfie". When you are out and about, keep your eyes peeled for something scientific; this may be a cool shadow, a funky looking plant or just something that makes you say "wow". Please send your image along with your child's name and any information to HolyTrinityRosehill@htrps.org.uk by Monday 20th March. We can't wait to see what our scientists find.

Spring and Summer Term Open Mornings and Afternoons

Due to the success and popularity of our autumn term open mornings and afternoons, we are delighted to share that we are holding open mornings and afternoons this term and in the summer term for all classes in school. We hope this will give parents/carers the opportunity to see their child working in their classroom.

Please find below the timetable for these open mornings and afternoons. Due to the size of our classrooms we need to place a limit of **one** adult per child during these sessions. Please also do not bring other children to these sessions.

In due course a survey will be sent regarding attendance at open mornings and afternoons. Please complete this as it will be used as a register of attendance on the day

Class	Spring Term Date and Time	Summer Term Date and Time
