

Holy Trinity Rosehill CofE (VA) Primary School

Year 1 and 2 Summer Term

Summer 2023

Exploration, discovery and adventure - what everyday changes can make a difference?

English

In Literacy, we will be exploring texts about looking after the environment, writing for different purposes including information texts and poetry. We will be looking at the book *10 Things I Can Do To Help My World*, to help us. We will also be creating texts based on our topics including *The Great Fire of London*.

Maths

In Year 1 we will be looking at place value to 50, measuring, and beginning to look at multiplication, division and fractions. In Year 2 we will be focusing on fractions this term. We will be finding fractions of different numbers and shape. Children will be telling the time to the nearest 5 minutes.

Religious Education

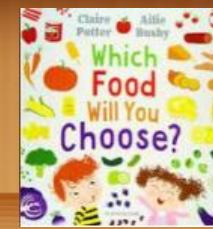

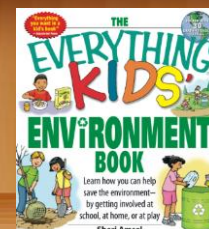

As Theologists, we will be developing our understanding of Judaism through learning stories from the Torah and about Jewish worship and celebrations. We will also be thinking about what it means to belong.

Reading across our curriculum this term

Titles include:

10 Things I Can Do To Help My World
You wouldn't want to be in the Great Fire of London
Vlad

Music

As Musicians we will be learning about the history of Music, particularly exploring classical music.

Art

As Artists, we will be creating different textures with paints. We will be looking at the work of Emily Ward and Sir Christopher Wren.

P.E

As active members of Year One and Two, we will be taking part in team games and our athletic skills.

Geography

As Geographers we will be using maps and online mapping tools to locate parts of London. We will be exploring our capital city's important and famous landmarks.

Science

As Scientists, we will be identifying and classifying materials and looking into how and why things have changed over time.

D.T

As designers, we will be developing our chopping and grating skills as well as using our senses to explore the taste and texture of food.

History

As Historians, we will be investigating the Great Fire of London and looking at how this has impacted our lives today.

Languages

As linguists, we will continue to explore French songs, stories, rhymes and basic phrases.

Computing

As Computing Technologists we will be developing our word processing skills, looking at the layout of the keyboard and exploring digital drawings.

RSHE

In RSHE we will be looking at keeping safe and naming parts of our body. If you'd like more information on this, please have a look at the NSPCC resources we will be using in class:
<https://www.nspcc.org.uk/keeping-children-safe/support-for-parents/pants-underwear-rule/>
 We will also be looking at Citizenship and Economic Well-being.

Our Behaviours for Learning

Throughout this term, we will be developing our skills in these areas:
 Concentration
 Collaboration Independence
 Resilience

Our School Values – How are we living out our school values in Year 1 and 2 this term?

We will be kind to others.

We will help those in need.

We will try our hardest.

We will forgive others and move on.

We will give thanks for God's creation and the changes our seasons bring.
