

	<u>Autumn 1</u>	<u>Autumn 2</u>	<u>Spring 1</u>	<u>Spring 2</u>	<u>Summer 1</u>	<u>Summer 2</u>
<u>Nursery</u>	What can we find outside?  		Can I use my senses to describe different materials?  		What plants and animals can I see?  	
<u>Reception</u>	What changes can we see?  		Which material should I choose? 		What journeys do plants and animals go on?  	
<u>Ks1 Cycle 1</u> (2020/2021) (2022/2023)	Living Things & Habitats How do you know that something is alive? 		Animals Including Humans How can I stay healthy? 	Seasonal Changes What happens in Spring? 	Everyday Materials Is everything made out of a material? 	Seasonal Changes How can I protect myself in Summer? 
<u>Ks1 Cycle 2</u> (2021/2022)	Animals Including Humans What are the basic needs of an animal? 	Seasonal Changes What happens when seasons change? 	Use of Everyday Materials How can I find a suitable material? 		Plants How can I keep my plant alive? 	
<u>Y3/4 Cycle 1</u> (2022/2023)	Electricity How does a switch affect a circuit? 	States of Matter Can solids move? 		Sound How do we hear sound? 	Animals Including Humans What is the role of the digestive system? 	Living Things and Their Habitats Are all changes to habitats negative? 
<u>Y3/4 Cycle 2</u> (2023/2024)	Light How can I change the size of a shadow? 	Rocks How are fossils formed? 	Animals Including Humans Why do we need muscles? 	Forces and Magnets Are all metals magnetic? 		Plants Do all plants need the same care? 
<u>Year 5</u>	Earth & Space How have our ideas about the solar system changed over time? 	Properties & changes of materials Are all changes reversible? 		Forces Do all heavy objects sink? 	Living Things & Habitats Are all lifecycles the same?  	Animals Including Humans What happens when animals age?
