

Holy Trinity Rosehill C of E (VA) Primary School

Year 1 and 2 Summer Term

Summer 2025

What makes our local area and wider world wonderful?

English

In English, we will develop our love of reading by listening to and discussing different texts.

In Year 1, we will focus on writing sentences that are sequenced to form short narratives. We will continue to use our phonics to help us read and spell words.

In Year 2, we will focus on writing non-fiction texts. Children will use a range of punctuation and conjunctions to uplevel their work. We will continue to use our spelling strategies to help us in lessons.

Maths

In Maths, Year One children will be building on their place value skills and applying this to multiplication and division and fractions. They will also develop their understanding of money and time.

In Year 2, children will be learning how to tell the time to the nearest 5 minutes. We will also be looking at positional language and statistics. Children will continue to practise the 2-, 5- and 10-times tables.

Religious Education

As Theologists, Year One and Two will be answering the following questions What does it mean to belong to a faith community and How should we care for the world and for others, and why does it matter?

We will think carefully about how the views of Christian's, Jew's and Muslims.

Reading across our curriculum this term

Titles include:

Lost and Found
Lubna and the Pebble
A Walk in London
Ocean Meets Sky

Music

As Musicians, we will be singing and playing instruments such as the Glockenspiel.

Art

As artists, we will be researching Sir Christopher Wren and his amazing contribution to architecture. Children will be learning lots of different drawing techniques.

P.E

As active members of Year 1 and 2, we will be developing our running, jumping and throwing skills in athletics. Children will also be developing their racket skills.

Geography

As Geologists, we will explore what life is like in Shanghai, China. We will compare Shanghai to our local area and see if there are any similarities.

Science

As Scientists, we will continue to explore the seasons of Spring and Summer. We will then look closely at different materials and their properties.

D.T

As designers, we will be looking at different fruits and vegetables and how they grow. Children will be making their own healthy smoothies.

History

As Historians, we will be investigating the Great Fire of London. We will look at the different causes and what impact the Great Fire had.

Languages

As linguists, Year One and Two will be listening and exploring French songs, rhymes and basic phrases.

Computing

As Computing Technologists, we will be using a compute to create a musical composition. We will explore capturing and changing digital photographs.

RSHE and Useful Links for Parents/Carers

Our RSHE focus this term is Citizenship and Economic Wellbeing. We will learn the importance of rules and what democracy means.
We will also spend time looking at the difference between wants and needs and why it is important to save money.

Our Behaviours for Learning

Throughout this term, we will be developing our skills in these areas:

- Concentration
- Collaboration
- Independence
- Resilience

Our School Values – How are we living out our school values in Year 1 and 2 this term?

We will show kindness towards others and respect others opinions.

We will help each other when trying new things and understanding how others might be feeling

We will continue to show endurance with our school work.

We will learn that it is important to forgive ourselves as well as others.

We are thankful for all the plants and the beautiful world we live in.
