STARTING NURSERY

Starting nursery is a big step. You can help your child build confidence and independence by practising everyday skills at home.

DUMMY FREE

Please encourage your child to be dummy free.
This helps with talking, eating and sleeping.

WALK, MOVE AND BE OUTSIDE

Spending time outside, being active and moving every day helps your child explore, play and build confidence, strength and coordination.

DRY DURING THE DAY

Using the toilet during the day helps your child feel proud and more independent.

Encourage them to let you know when they need to go.

TIME TO TALK, READ AND SING SONGS

Talking, reading stories and singing songs together every day helps your child learn new words, understand the world and feel happy and secure.

SCREEN TIME (AGES 2–5)

- **Limit:** Screens to a maximum of 1 hour per day.
- **Content:** Choose slow-paced, age-appropriate content; avoid fast-paced social media videos and AI toys.
- **Co-viewing:** Watch together. Engage with your child by talking and asking questions about the content.
